

The DUTCHESS COUNTY DEPARTMENT OF EMERGENCY RESPONSE and the MT. BEACON AMATEUR RADIO CLUB

OFFER A FREE ONE EVENING / TWO DAY AMATEUR “RADIO LICENSE TEST REVIEW SEMINAR” TO BE HELD ON FRIDAY EVENING AND SATURDAY / SUNDAY 19 — 21 APRIL 2024

**FRIDAY: 6:00 PM to 9:00 PM; SATURDAY: 8:00 AM to 5:00 PM;
SUNDAY: 8:00 AM to Noon**

FCC License Exam Session held starting Sunday @ 1:00 PM

**Location: Dutchess County Department of Emergency Response
392 Creek Road (near Dutchess Community College)
Poughkeepsie, NY 12601 {GPS: 41.7465676,-73.8983243}**

Why Amateur Radio?

- To assist your community in time of need when all else fails
 - To promote good will around the world
 - To have fun communicating with fellow hams!
 - Morse Code knowledge is no longer a requirement!

Seminar is open to all without age limit & is for the entry level FCC Technician Class Amateur Radio License. Registration before April 1st is required!

OBTAIN & STUDY the text before the seminar:

**“ARRL Ham Radio License Manual 5th Edition” with FCC Technician class license questions
July 1, 2022 to June 30, 2026 (ISBN 978-1-62595-155-7)
(<https://home.arrl.org/action/Store/Product-Details/productId/2003373064>) or through Amazon
or Barnes and Noble Booksellers**

**This seminar will review all material and test questions for the FCC exam,
but attendees are expected to study material ahead of time in the
License Manual**

For registration or additional information:

Contact: Adam Nowik Jr. 845-849-3666 or AE2AN@aol.com

FCC License Exams on Sunday 1 PM:

**Open to all hams, regardless of whether they took the class.
A \$15 FCC exam fee (cash or check) is due to take the test. Upon successful completion,
a \$35 FCC license fee will be charged directly by the FCC for all new licenses.**

**Test pre-registration required if not taking the class.
contact: Andrew Schmidt 845-464-2676 or W2BOS@arrl.net**
